Management Commentary

The Group recorded revenue of RM2,561.6 million and profit before tax of RM396.0 million for the current quarter ended 30 June 2025, compared to revenue of RM1,579.9 million and profit before tax of RM341.0 million in the corresponding quarter of the previous financial year. Revenue increased by 62.1% in the current quarter mainly driven by higher contributions from most business segments.

Outlook

The Group's performance for the year is expected to remain strong, supported by ongoing investment activities and a stable economic climate. The construction segment continues to reinforce its position in advanced technology facilities, capitalizing on rising digital infrastructure investment in Malaysia.
