Personal Statement

I am currently a fourth-semester student pursuing a BSc. in Information Engineering at HAW Hamburg. I am an active and conscientious individual, consistently striving for excellence at every opportunity. I have a deep passion for the field of engineering, ergo my aim for a career in this domain

Education

BSc. Information Engineering, Hamburg University of Applied Sciences (2022 - Present)

Notable Subjects:

Digital Systems

- Using an FPGA to perform signal processing steps - arithmetic and logic operations - on stereo channels of an audio codec.
- Implementing VHDL design code to programme the FPGA - including implementing testbench code for verification.
- Pertinent lecture material such as RTL operations, synchronisation errors and metastability, handshaking methods, etc

Digital Circuits

- Introduction to VHDL coding to programme FPGA for various applications - e.g. design of traffic light state machine
- Pertinent lecture material on basic combinational and sequential circuits

Microcontrollers

- Programming of a Texas Instruments TM4C1294 microcontroller for various lab applications
- Pertinent lecture material on microcontroller architecture including register descriptions of various peripheral modules

National Certificate of Educational Achievement (Level 3) Endorsed with Excellence, Otumoetai College (2017 - 2021)

During Year 13, I received the Principal's Award as a student representative of the Board of Trustees.

Work Experience

Mathematics Tutor, Hamburg University of Applied Sciences (September 2023 - Present)

- Assisting incoming students with Maths-related topics and providing online video lessons during the specified period.

Working Student - Business Unit Renewables, Dornier Suntrace GmbH (March 2024 - Present)

- Tender screening and acquisition support for primarily technical renewable energy projects
- Technical and financial proposal preparation support
- Maintenance/update of filing system and sales-database

Community Development Intern, Tauranga City Council (March 2022 - August 2022)

- Managing relevant stakeholder information in the Customer Relationship Management (CRM) system.
- Mapping community sectors and organisations in categorised Excel spreadsheets.

Voluntary Work

Mobility Parking Petition of Claire Dale (May 2021 - February 2022)

- Presenting a petition to Minister of Transport, Hon. Michael Wood, in the NZ parliament seeking nationwide enforcement of mobility parking spaces - benefitting the lives of the 24% of New Zealanders considered disabled.

Board of Trustees Student Representative, Otumoetai College (September 2020 - October 2021)

- Bringing the student perspective into the strategic direction of Otumoetai College.

Hobbies and Interests

I enjoy the gym and have a keen interest in chess. My achievements include becoming the NZ U16 Chess Champion in 2020 and representing New Zealand in the Asian Online Nations Cup 2020.

Language Ability

English: Native proficiency
Indonesian: B2/C1
German: B2
